EHSC FOSTER CARE VILLAGE AT JCSU

"We are honored and overjoyed by this meaningful support from a host of generous donors who are fulfilling our shared mission to provide a safe and well-furnished dormitory residence for our youth. "

EHSC President Fred Grosse

Thanks to our generous partners who are providing beautiful furnishings for The Foster Care Village:

Andreas Egger, F3
Pool Tables Plus

Because you care, he will have a safe place to lay his head at EHSC's new Foster Care Village.

It's not too late to help. Your gift will purchase necessary items for a youth striving for a better life through education, employment and life skills training provided by EHSC's committed staff.

Please Give Now

Since 1907, EHSC has cared for infants, children and young adults. We firmly believe in the Easter hope of the risen Christ and we "share in His victory" with all who are in need.

When our Foster Care Village opens, we will continue this legacy and will share the message of new hope, new life and new opportunity with the children of God who so desperately need our care today.
